The contrasting piping line added between the insert and trim color on the Colorado Bucket Seats added a sophisticated, custom look that provides the perfect finishing touch on this interior. This is an add-on to our regular product, available only with this package. If your car is needing a unique, high-end look, give us a call, and we'll make it happen! This car is actually done in Black leather, which is also an option; call for pricing. Embroidery is not included.

### THE BASIC PACKAGE:
